Work and Leadership Experience

2018-Present **University of Michigan, Dining Hall** **Ann Arbor, MI**
Student Coordinator (soon to be Student Manager)

- Co-led the management of student employees to ensure successful shift by coordinating breaks and assigning closing tasks
- Communicated with management to make sure students were up to date by attending biweekly meetings
- Requested by management to apply for student manager position due to consistent commitment and knowledge

2020 **Internship with ELSO** **Virtual**
Intern

- Worked with small project team to draft/pilot/revise/analyze a survey sent out to hundreds of partnering hospitals to gather COVID related information regarding supply chain issues of equipment
- Partnered with team in Qatar to build platform for hospitals to share/swap/sell equipment to hospitals with shortages
- Created updated forms which will be used in hundreds of hospitals reporting patient data, in partnership with doctors from around the globe

2019 **Main Street Ventures: Palio Ann Arbor** **Ann Arbor, MI**
Server

- Promoted within 4 weeks of employment due to dedication and hard work ethic by exceeding expectations of both employers and guests
- Enhanced the guest dining experience by anticipating wants and providing quality experience
- Identified when other servers were struggling and provided help to guarantee guests were taken care of

2018-2019 **Michigan Premier League Club** **Ann Arbor, MI**
Recruiting Head

- Aided in launching the club in order to gather a group of like-minded students together to provide an avenue for students to pursue their passion in soccer
- Coordinated regular meetings, watch parties, and other events, meeting deadlines, and creating engaging content for all members of the club
- Managed recruiting efforts to students through producing flyers and online announcements in order to garner support for the club, resulting in gaining almost 200 members

Extra-Curricular
2020 **Developer for VOID Tech Consulting** **Virtual**

- Joining project team to work on one of several projects (coming future)
- Learning basics of HTML, CSS, JavaScript
- Anticipated project will include building a website for a local company

Additional

- Languages: C/C++, Python, HTML, CSS, JavaScript
- Awarded Dining Hall Employee of the Month in first month of program
- Won two bi-weekly awards at Palio given to outstanding employee that period
